## Focus Touch P10

from Focus Touch

**For professional look and feel:**

- Elegant white encasing
- Quick touch response
- Easy to operate

## The standard in large touch displays

The Focus Touch P10 is a large format touch screen that is well-suited for many applications. This full HD display can be operated with 10 fingers simultaneously and provides maximum interaction.

Giving presentations, exchanging information and collaborating with others is now easier and much more enjoyable than ever before. Boost your company's professional image. The P10 can be enhanced with a lockable writeable cabinet or a fold-out wing kit.

Ideal for offices, showrooms and work areas.
