HoverCam Solo 8

From HoverCam

Capture vibrant colors and stunning details with:

- Built-in LED light
- Instant drag & drop
- Advanced camera controls
- Built-in archive manager

Enjoy using the camera the same way of using rich featured computer software

HoverCam Solo 8 comes pre-installed with a software bundle that contains FlexCAP & FlexVIEW to manipulate and capture brilliant 5MP images, share and annotate documents as well as scan multiple pages directly into 1 PDF file, using drag/drop and the archive manager to create files into your favorite program. All these features including amazing ASR zoom technology and advanced camera control makes it an indispensable everyday companion.

Above all it is ideal for distance learning and video conferencing!
