

iWall

your Pin Board - your Post-its - your Papers - your Flip Charts

All on a 12m long digital Canvas!

Product Highlights

- Move beyond the familiar process of collaboration with Post-it, flip charts and pin boards and go digital.
- Working in the cloud makes it easy for team members to contribute from their own devices.
- Interact with ideas on industry-leading 10' (3.20m) display with software that provides 40' (12m) of digital workspace. The difference between a good idea and a game changer can be the amount of workspace.
- More ideas yield into unlimited possibilities.
- Ideation thrives when teams can see a lot of ideas and inputs simultaneously during the creative process.
- 3000 ANSI lumens
- 25'000 lamp hours

Fill the ultrawide canvas with all your team ideas !

iWall Span Ideation System from Nureva

**For the digital generation,
based on a proven process!**

- digital engagement
- persistent content
- panoramic 130" display
- active collaboration

Harvest the creative energy of your team members.

Capture, organize, and refine ideas in this expansive team workspace just as you would work with post-its, flip charts and pictures on pin boards.

Express ideas as different types of digital content, each with specific functionality:

- post-its (sticky notes), sketches (ideal for drawing)
- flip charts, images and groups

Contribute to your ideation sessions anytime, anywhere, as often as needed in real time.

Your Communication Platforms for:

- Collaboration
- Public Displays – Digital Signage
- Control & Monitoring

MOVE IDEAS NOT PEOPLE

Novia AG sells innovative products and solutions for schools and corporations through a certified reseller channel.

Schools and corporations may evaluate the products and the solutions at Novia's unique Evaluation Center.

Novia's portfolio includes complete classroom solutions for schools and universities, and collaboration/public displays/control & monitoring solutions for the corporate market.
